

WORLD TITANIUM RESOURCES

OCCUPATIONAL HEALTH & SAFETY POLICY

The health and safety of all personnel operating on World Titanium Resources Limited (the “Company”) sites is of paramount importance to the Company.

The Company’s objective is to conduct operations in an efficient and profitable way whilst providing:

- A healthy and safe workplace;
- Information on the hazards of the workplace and training in how to identify and mitigate those hazards to ensure work is performed safely; and
- Consultation at all staff levels on health and safety matters.

All employees must be aware that they have a responsibility to work safely and an obligation to report concerns and implement remedial actions regarding health and safety and personally commit to work in accordance with our safety management system.

No employee is expected to carry out activities that he or she reasonably considers to be unsafe and or liable to affect the health and safety of themselves or other personnel.

For the purposes of this policy, ‘employee’ includes any consultant or contractor to the Company.

The Policy will be reviewed as required and at least annually. Any amendments to the Policy will require approval from the Board.
